

SPIDELL'S QUARTERLY TAX UPDATE[®] WEBINARS

Join Spidell's Quarterly Update community for optimum tax fitness!

Spidell's Quarterly Tax Update[®] webinars have become a favorite of a cyber-community of tax pros who thrive on this quick and meaty format structured by late-breaking tax news and driven by questions and discussion points. We address your tax dilemmas **on the spot**, compile them for your review, and revisit them in more depth at your request.

Never be overwhelmed again by the **thousands of cases and rulings every year**, and stay on top of developments each step along the way. Stay tax fit by getting the answers you need most, right when you need them, in short two-hour sessions throughout the year. And Mike Giangrande, J.D., LL.M., will moderate your e-mail community and forward you the pertinent facts after the webinar.

"Very topical. Gave information about Court of Appeals decision handed down the morning of the webinar. Talk about hot off the presses."

— Owen Patotzka, CPA

"Lots of info in a small, concise format, presented in a knowledgeable manner. Can't get much better."

— Howard Shores, EA

"This concept of a quarterly 2-hour session is a great addition to the Spidell training."
